Are you open to new ideas?

GOOD. THE WORLD'S MOVING PRETTY FAST THESE DAYS, AND FRANKLY, WE LOVE IT. GLAD TO SEE YOU DO, TOO. WE'RE READY TO MAKE MAGAZINES BETTER, ON PAPER AND BEYOND. IF YOU'RE NEW-IDEA PIONEERS LIKE US, THEN GET IN TOUCH AND WE'LL HAVE SOME FUN.

You want them to notice, buy, read. Your audience wants to be immersed, intrigued, compelled. They want a glorious, imagination-lighting gut punch. They want to love it.

You have a choice. You can do things the same way you've always done them—or you can take a new approach. Being open to new ideas is the first step. We believe it's the *only* key to longevity.

In publishing—a new idea—is the difference between being a dull, flickering bulb—or a radiant, glowing one. A new idea is power.

Our team is small by design. With personalized service, we produce sophisticated design outcomes rooted in what works. Our clientele is vast—we help all kinds of publishers: group, custom, newsstand, Canadian, international—who all have something in common … They're open to new ideas. Are you?
